Specific requirements

This certificate attests that the manufacturer meets the requirements of CR 133 "Certification rule for certification of production process for production of construction products" edition 2021-08-18, and associated specific requirements in "-Annex 1, Specific requirements for the product area windows of wood and wood/metal".

Marking

The marking must meet the requirements according to CR 133 section 4.1.

Validity

This certificate is valid until not longer than 2031-10-28. The validity of this certificate can be verified at RISE homepage. This edition of the certificate replaces previous editions.

Miscellaneous

The manufacturer's quality system is under surveillance by RISE in accordance with CR 133 section 4 and 5. Other terms and conditions are set out in CR 133 section 6.
